

Children's Court of Western Australia

Practice Direction No. 1 of 2007

Preliminary Comments

1. It is desirable that the application form currently being used to make applications to the Children's Court of Western Australia ("the Court") under the *Children and Community Services Act 2004* ("the Act") be amended to make provision for ethnicity details to be included in the information set out on the form.
2. The relevant Government agency is now the Department for Child Protection ("DCP") and not the Department for Community Development ("DCD").

Practice Direction

As from and including 2 October 2007 applications made to the Court under the Act are to be made in the form PC1 attached hereto or a computer generated version of the form, which has been approved by the President of the Court.
